

OMV Pakistan

November 24, 2004

To,

Mr. Martin Bawden
Fugro - Jason Middle East BV
P.O.Box 17729, LOB 15401
Jebel Ali Freezone, Dubai
United Arab Emirates

Dear Mr. Bawden,

We would like to take this opportunity to express, in writing, our appreciation for the inversion work carried out by Jason on the Sawan Field last year.

We have drilled a well Sawan-5 based upon the inversion results. This is a successful well and results are as predicted by your inversion.

We look forward to working together again in the future using our combined expertise to increase our overall success.

Regards

Paul Fink
